THREE DARLINGFORD FARMS ARE TAKING OVER CTV.

Jennifer Ching,
Darlingford
Correspondent

Be on the look out later this summer for two Field to Forks commercials featuring Amaglen Limousine and North Shade Cattle Co., and set your PVR in November for an episode of Great Tastes of Manitoba, featuring the Lowry family. Fields to Forks is a

CTV production that showcases the journey of Canadian food production. Amaglen Limousin, operated by Amanda, Clint, Laura and Lillian Seward alongside Ian and Bonnie Hamilton, will represent Manitoba Beef Producers in a Fields to Forks commercial as a fifth-generation family farm. Jackie Dudgeon-MacDonald of North Shade

Cattle Co. will also be starring in a Fields to Forks commercial highlighting how canola is used in our everyday lives and its international importance. Great Tastes of Manitoba is a farm to table cooking series showcasing nutritious, affordable, delicious foods grown by Manitoba's farmers that airs on CTV, Saturdays at 6:30 p.m. The Lowry

family will have their environmental award-winning cattle farming practices featured in their episode as well as Pam and Glen's longstanding volunteerism in the Darlingford community. Congratulations to these local farming families for this well-deserved recognition – can't wait to see you on TV! ■

We're wrapping up another fun year of our Summer Reading Program. Thanks to all the families and kids who came and took part! We're also pleased to announce that the Pilot Mound & District Foundation has provided a grant of \$2000 to the Louise Library for an

Automated External Defibrillator. The AED will be installed in September. We are very grateful to the Foundation for the added level of confidence the AED will provide our patrons, volunteers and staff in the case of a cardiac emergency. Here's hoping we never have to use it!
